

Dear Parent,

National Citizen Service (NCS) is a once-in-a-lifetime opportunity open to 15-17 year olds in England and Northern Ireland. NCS is a fun and unforgettable programme, that helps you build skills for life whilst taking on new challenges and meeting new people.

NCS is backed by the government which means that it costs no more than £50 to take part. Financial support is available on a case by case basis.

FOR THE LESSONS YOU CAN'T LEARN IN CLASS

- **AN EXPERIENCE TO CHANGE YOUR LIFE**
- **BUILD YOUR CV**
- **MEET INSPIRATIONAL PEOPLE**
- **TAKE ON NEW CHALLENGES**
- **FAST FORWARD YOUR FUTURE**
- **OPEN UP A WORLD OF OPPORTUNITIES**

Embark on an Adventure

Week 1: You'll experience the freedom of living away from home in an outdoor environment, taking part in a whole spectrum of adrenaline fueled activities such as rock climbing, abseiling and canoeing. You'll get to know your new NCS family, build confidence and leadership skills and achieve things you never thought possible.

Build Skills for Life

Week 2: Whether it's budgeting for yourself, cooking a meal for you and your NCS friends, or taking part in media workshops week 2 is all about developing your skills for life. Whilst living away from home in a university style setting you will also work with organisations and local business to understanding the community around you, and the world of opportunity that is open to you.

Make a Mark on Your Local Community

When you return home, your team will work together to design, plan and deliver your own community project that you feel passionate about. This is the time to use everything you've learnt while you've been away to make a lasting difference your local area.
