

18th October 2016

To Parents of Pupils in Foundation Stage

Dear Parents

Phonics and Reading Information Workshop

Tuesday 8th November 2 – 3 pm

or

Wednesday 9th November 6 – 7 pm

Your role in supporting your child to learn to read and write is very important and we value the support that you give. Learning to read and write is complex and children learn in different ways. At the Phonics and Reading Information Workshop, we will explain how we teach the skills needed for reading and writing and demonstrate our scheme for learning phonics and how we support the children's learning through a range of engaging activities. The meeting is an ideal opportunity for you to ask questions and talk to the staff. Some of the resources that we use will also be available for you to look at and try.

We hope you will be able to come to this meeting and find out how you can help your child at home. There is a free information pack which you can take away with you, one per family. There will also be an opportunity to purchase a 'learning pack' which has a range of resources to support your children's learning across all areas and is priced at £2.

Please complete and return the form below by Wednesday 2nd November 2016.

We look forward to seeing you there!

Yours sincerely

Amy Symmons
