

11th October 2016

To Parents of Pupils in Year 1

Dear Parents

Year 1 'Big Health and Happiness Week' DT Learning

During next week's Big Health and Happiness week, Year 1 will take part in a food tasting of a variety of different fruits as part of their DT learning. We would like to be able to provide a wide selection of fruits for them to try so that they can learn about the different tastes and textures. The children will be making their own fruit salad using the fruits they have identified as their favourites and they will be able to eat this in school.

To enable us to buy a wide variety of fruits, we are asking for a voluntary contribution of £1 for each child. Please place this in a sealed envelope clearly marked with your child's name and class, and give this in at the Primary Office.

Also, please complete the slip at the bottom of the page indicating whether your child has any allergies to any specific fruit and return it to the office by Thursday 13th October 2016.

We hope that this will be an enjoyable learning experience for the children. Many thanks for your continued support.

Yours sincerely

Mrs Nimmo, Mrs Ritchie and Mrs Millar

Year 1 Team

✂-----
Big Health and Happiness Week – Year 1 DT Learning

Child's Name _____ Class _____

- I enclose a voluntary contribution of £1 towards the cost of the ingredients
- My child has no allergies to any type of fruit that I am aware of
- My child is allergic to

Signed _____ (Parent) Date _____
